Property near Almancil with ample land and 2 villas

This property is located in the hills of Almancil and consists of two houses, one 2 bedroom and the other with 3 bedrooms.

The property consists of 3 separate dwellings, the first is a renovated studio at the front of the property. Behind this, you have two 2-bedroom properties, each with its own private access. Making it an ideal property for those wishing to run a rental business whilst living on the premises, or a small B&B.

You can also combine all 3 properties into one larger house, which would be ideal for permanent living.

The property is perfectly located between Almancil and Loule centres, each about 5 minutes drive
